Fact Sheet

Concept	Isobar, a chic lounge bar for Hong Kong's hippest crowd.
Design concept	<p>Located directly above ISOLA bar+grill on the 4th floor rooftop of the International Finance Centre mall, ISOBAR is the perfect location for after-work drinks, a casual dinner catch-up with friends, or just winding down over a fabulous glass of wine or cocktail.</p> <p>This chic lounge bar offers sensational panoramic views of Hong Kong's harbour and the Kowloon skyline from its floor to ceiling glass walled indoor bar as well as the spacious rattan furnished terrace onto which the bar leads.</p>
Signature features	<p>As the destination of choice for lounging, Isobar's regularly changing list of signature and classic cocktails is as extensive as the wines available to the bar from Isola.</p> <p>And being linked directly to one of Hong Kong's top Italian restaurants, Isobar's food menu is naturally a highlight. From noon through to 3pm, guests can choose from a daily lunch menu that even includes Isola's famed ultra crispy pizza – a choice which is available throughout the evening also.</p>
Wine List	An extensive, admirable and predominantly Italian wine list including a larger than is normally found choice of prosecco and with a good selection of popular favourites available by the glass.
Cuisine	Italian cuisine with well selected lunch and snack items served from Isola.
