

Va Bene - Shanghai's most authentic and uniquely styled Italian restaurant

bustling heart of Shanghai and fabulous authentic Italian cuisine!

Va Bene Shanghai has glamorous surroundings which start with the chandeliered reception and continue throughout with a striking Tuscan and Venetian inspired decor and sweeping staircase. Colorful murals of Italian streets adorn the restaurant. A glazed conservatory allows natural light to flood in across the restaurant.

A private room with up to 18 seating is grandly decorated in the style of a rustic Tyrolean Hunting Lodge, complete with animal skins and antlers on the walls. Another is surrounded by wine cabinets.

The traditional Italian menu offers a healthy and wide range of provincial cuisine, prepared from the finest quality imported ingredients. It goes without saying that the pasta including the signature dish Linguine Alle Vongole Veraci, classic Roman-style pizzas and the bread baskets of grissini and herbed flatbread are all home-made. As with all the

dishes offer, it combines honest, local cooking with a sophisticated flare.

Italian Executive Chef Alessandro Colombis has gained recognition in restaurants worldwide though his inspirations came from his home country.

Chef Colombis' extensive travels and the relative exposure helped him to learn and work in different environments with different climates,

availability of ingredients and cultures. His background is reflected in his modern, international and yet authentic approach to Italian cooking, which he is delighted to be able to share with discerning diners at Va Bene.

The great selection of wine on offer also comes from various provinces across Italy. With its extensive variety, there is no shortage of choice. Va Bene Shanghai is, as

Restaurant Manager Graziano Vastola with his great passion of all over the world wines and spirits, puts it, "one of the busiest and most happening places in the city". Perhaps it was simply meant to be.

Va Bene has created a fantastically bright and friendly atmosphere in which you can enjoy some of Shanghai's best Italian cuisine.
